Story Wars is the place for you!

Chapter 3 by Elden

Story Wars is a fun place where everyone can add to each other's stories, and can be voted on by the majority of the people. There are no limits when it comes to how many stories or chapters you add/create!

All sorts of genres can be published including comedy, romance, fantasy, poems, and even educational things! (**hint hint**)

There are many great people who are willing to share their creative ideas, and experiences, and it's all in just one website!

Story Wars is a highly recommended website, and it's also free! You can challenge other people to write better drafts/chapters, and vote on others!

Personally, Story Wars has been a great bonding experience for me, and I got to make new friends! All make funny stories, and I see a new chapter added to one of my stories. It doesn't matter if you speak English because anyone can do anything on Story Wars!
